Beautifully done!

You took a moment to appreciate the good in your day.

Today's Gratitude

30 October 2026

Something good today

I enjoyed a peaceful evening.

Someone I appreciate

My friend who checked in on me.

Something about myself

Skipped

Keep growing, one day at a time.

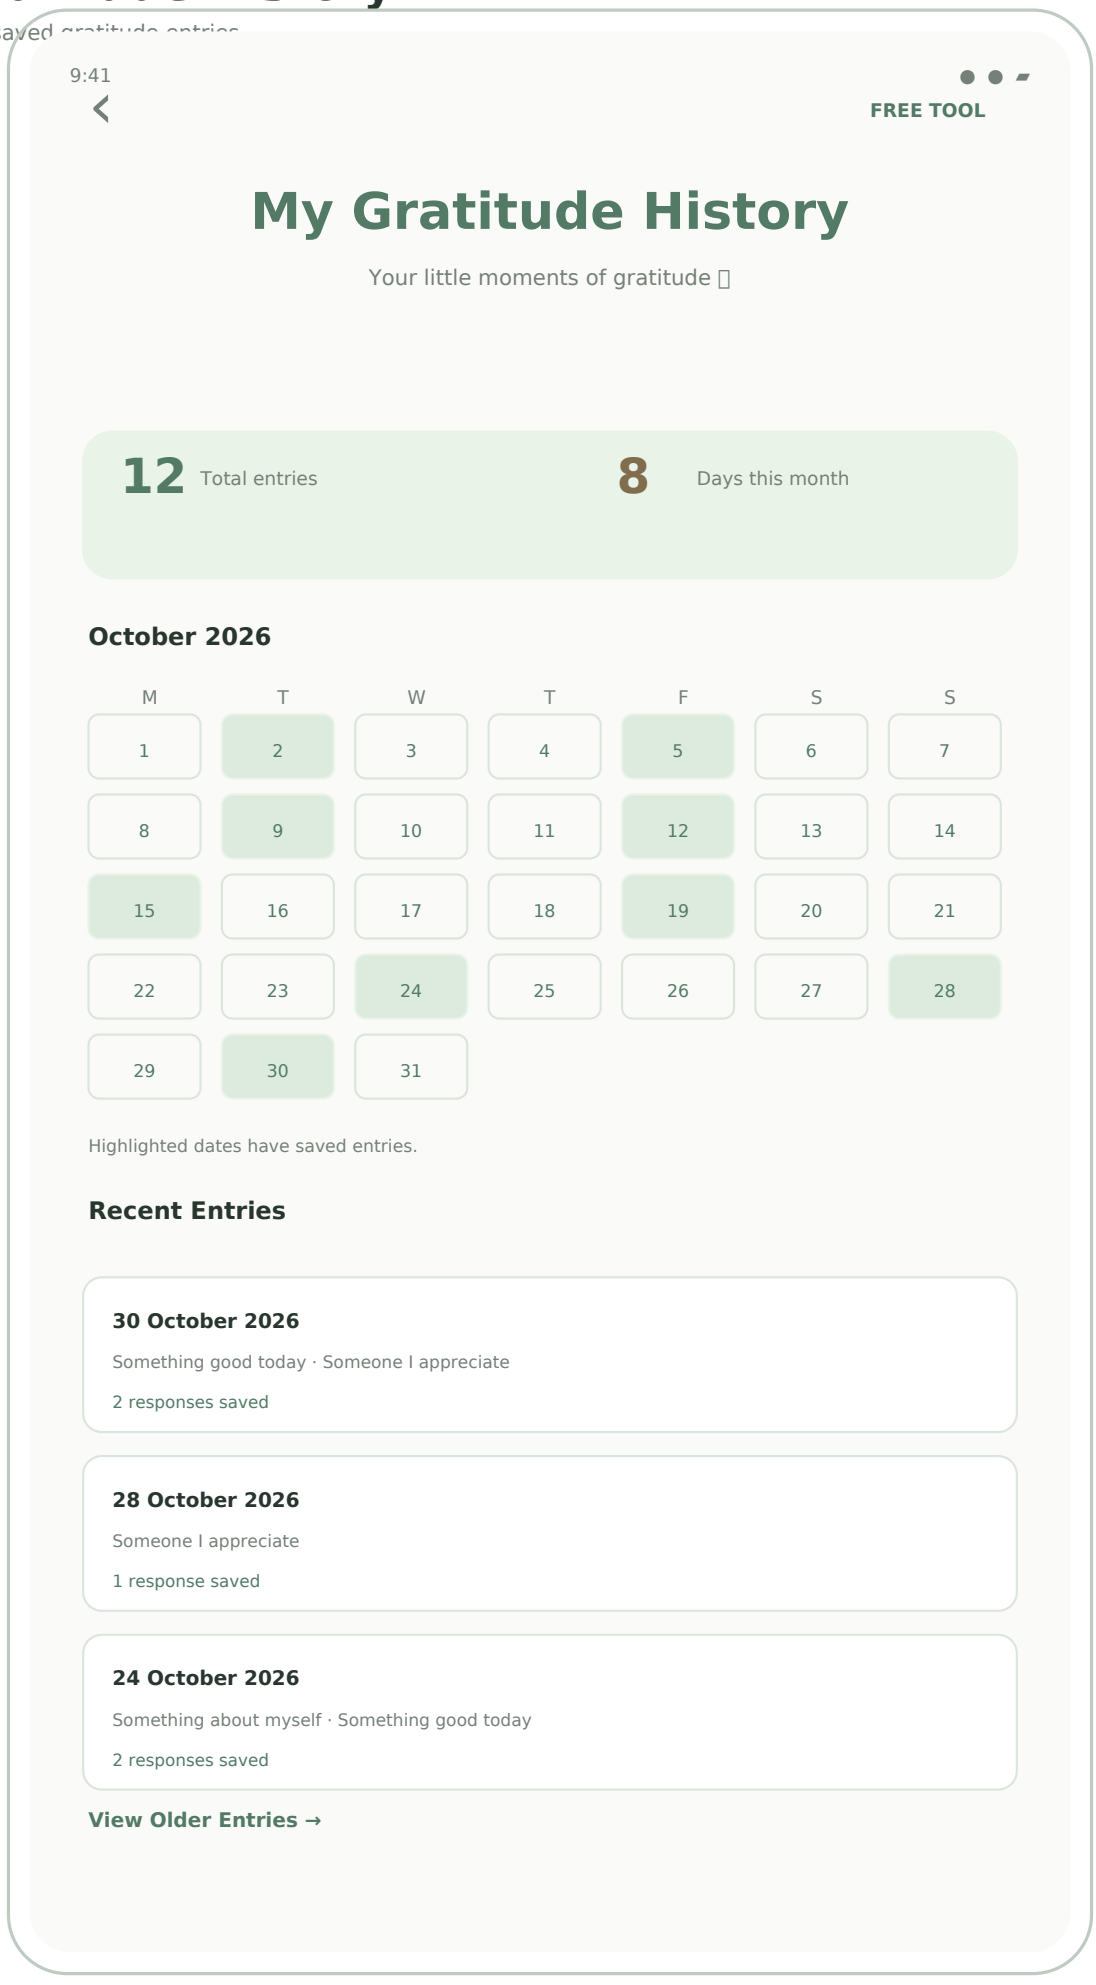

Every little moment of gratitude counts.

Developer implementation notes

Privacy
Mood, journal and gratitude entries are private by default. No automatic sharing with experts.

Consent
Do not send private journal or mood content for AI processing without separate explicit consent.

Editing & deletion
Users can edit and delete individual saved entries.

History
Store date and time. Missing days remain blank, never zero.

Mood
One primary mood; up to 6 emotions; one consolidated optional expert recommendation. No diagnosis.

Digital Journal
Prompt fills editable title. Title optional; thoughts required. One entry screen.

Gratitude
Three-card carousel; info pop-ups; Next if answered, Skip if blank; Finish & Save. At least one answer required.

Visual design
Eucalyptus green, warm white, pale sage, muted yellow and muted red. Compact, friendly cards.
