YuktiOne – Personal Financial Management (PFM) Calculators

Screen Flows – All 8 Calculators (Step-wise, in YuktiOne App Format)

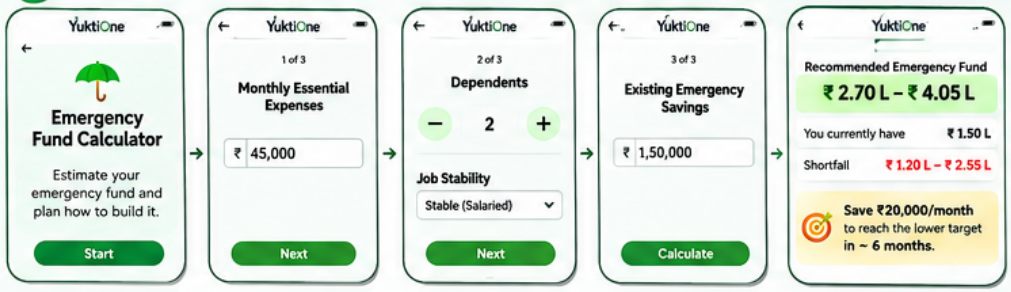

1 Monthly Money Planner — Understand your cash flow, savings and money health.

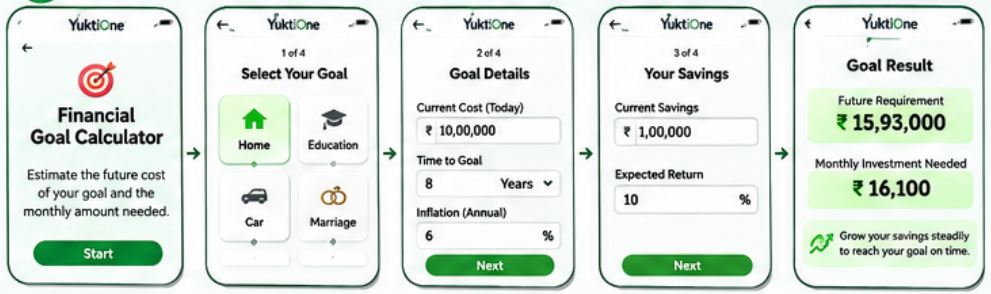

2 Net Worth Calculator — Know your financial position (Assets – Liabilities).

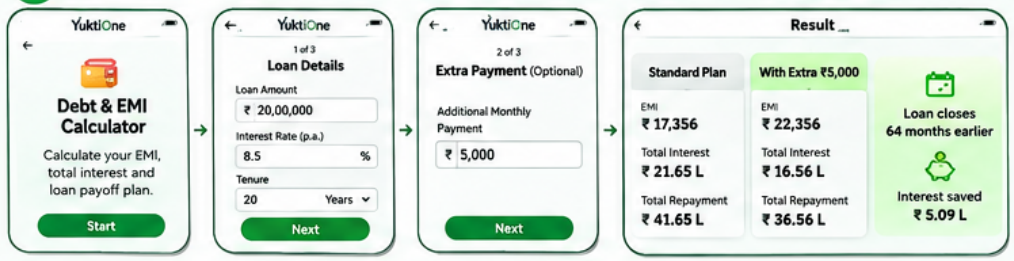

3 Emergency Fund Calculator — Find how much emergency corpus you need.

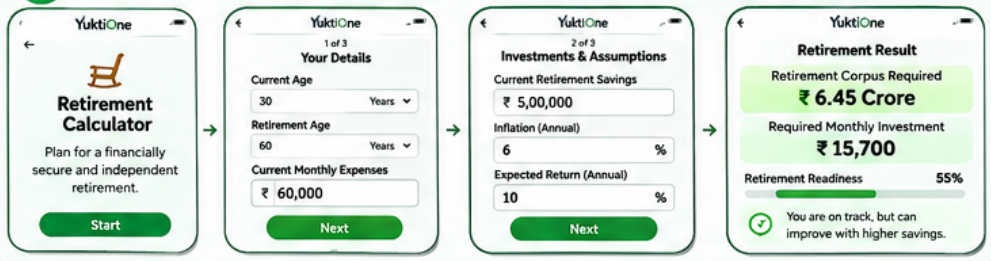

4 Financial Goal Calculator — Plan for your life goals (Home, Education, Car, etc.).

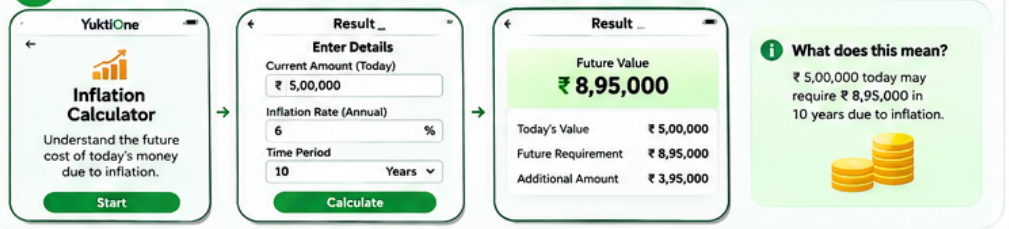

5 Debt & EMI Calculator — Calculate EMI, total interest and see the benefit of extra payment.

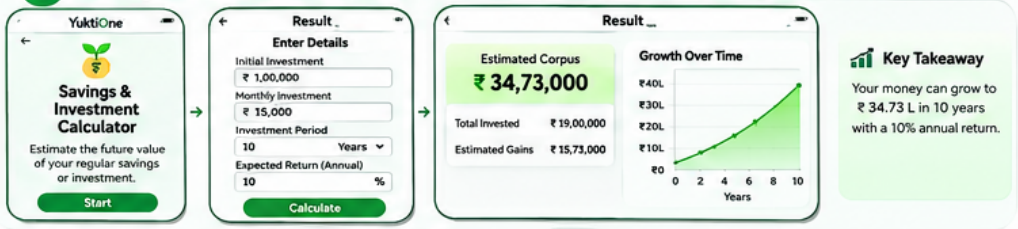

6 Retirement Calculator — Estimate your retirement corpus and monthly investment.

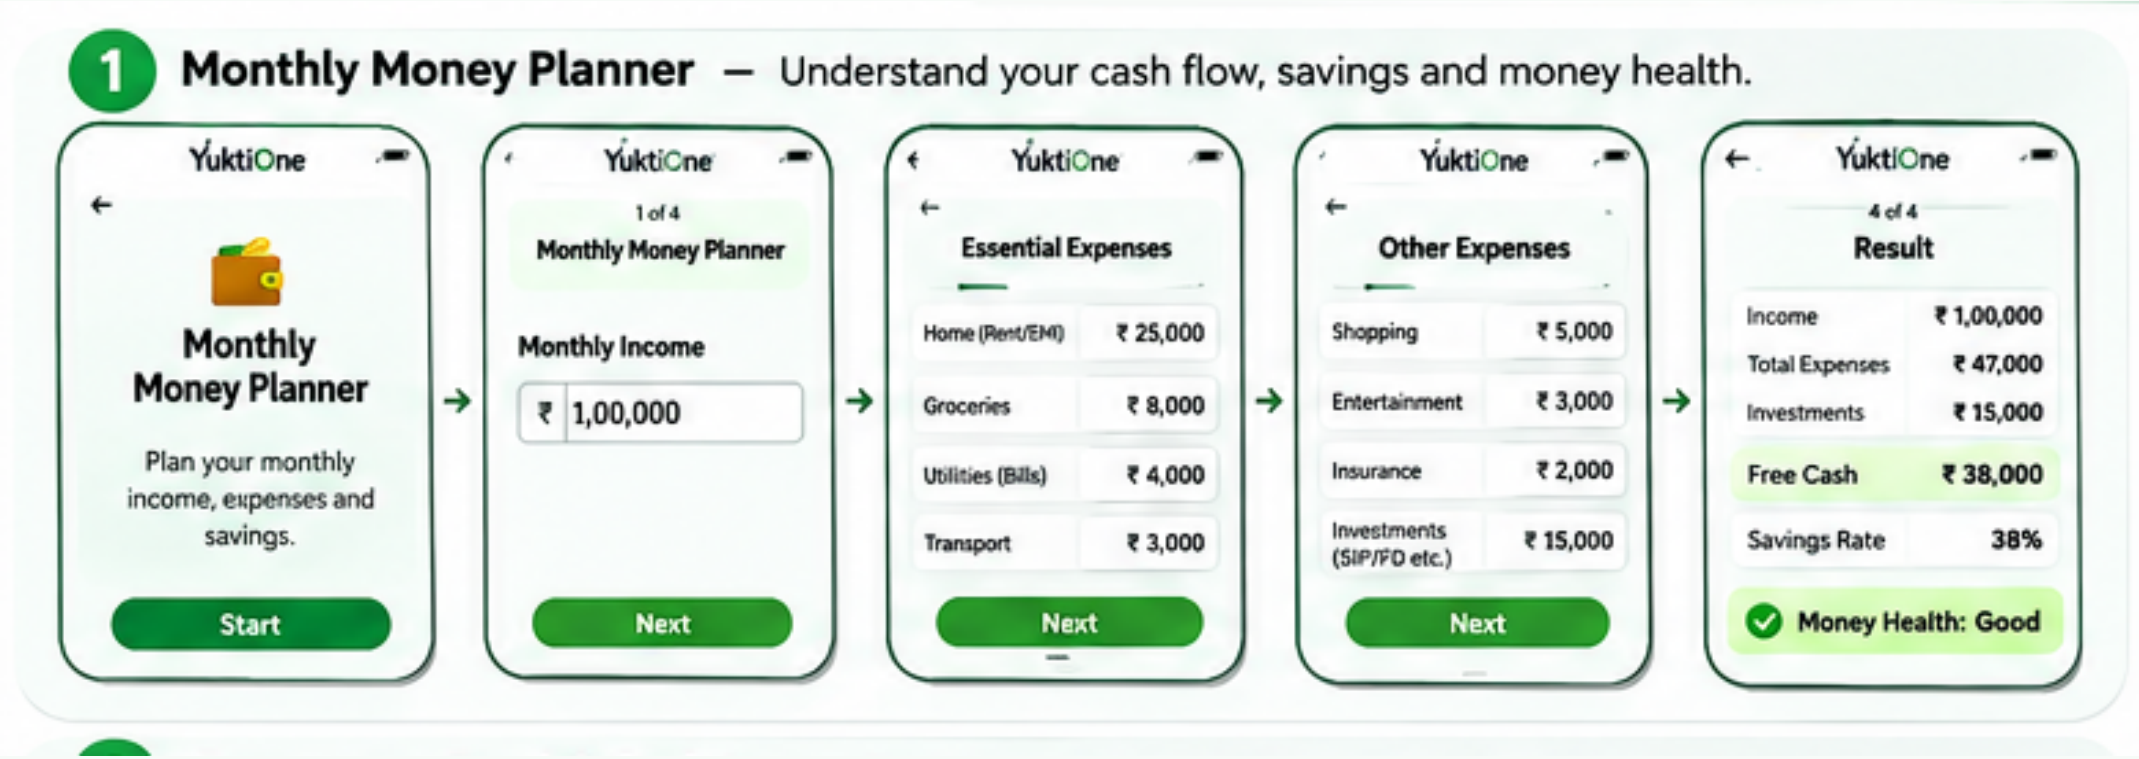

7 Inflation Calculator — See how much your money will be worth in the future.

8 Savings & Investment Calculator — See how your regular savings can grow over time.
